about us

We met in 2015, fell in love, have enjoyed many adventures, and have learned so much about each other. We got engaged and married two years later. We then decided to expand our family and adopted our son, Christian, in 2018. Robert is a nurse practitioner and enjoys caring for all of his patients. Joseph is a quality assurance manager. He has also volunteered as a firefighter/paramedic. During the week, we enjoy cooking together. After dinner, we take walks with our family dog. Some of our weekend activities include going to the park, working and playing in our yard, enjoying the neighborhood pool, and going on adventurous day trips. On Sunday mornings, we attend church and then brunch with family and friends. We would be so blessed to have another child to enjoy these times with us.

BETTER TOGETHER

OUR HOME & PETS

Our home in South Carolina is located in a quiet country setting. We are approximately five minutes from shopping centers, movies, and fun places to eat. Our four-bedroom home is in a family-oriented community. It has sidewalks, a community pool, a clubhouse, and a large area for children to run and play. We love to take walks around the neighborhood with our son and dog, Gabe, who loves everyone he meets. Our backyard is completely fenced in and has a swing set with a slide that our son enjoys. We love our house and have enjoyed making it our own. We chose to purchase this house knowing it would be large enough to allow us to continue growing our family and because it is in a child-friendly neighborhood.

OUR ADOPTION STORY

Since the beginning of our relationship, expanding our family through adoption has been something we have always agreed about. Our family and friends have been very supportive of our desire to expand our family. We have friends and family who have adopted successfully in the past, and we had a positive experience with our son and his birthmother. We adopted our son in 2018 and are ready to grow our family again through adoption. We have so much love in our hearts to share, and we know Christian is excited to be a big brother. We would love to give our son a little brother or sister to love and grow up with.

OUR FAMILY + *traditions*

We live only a few miles from Robert's parents' home and are also centrally located close to many of our friends. We visit each other often and enjoy our time together. Robert's parents enjoy visiting for dinner and spending time with their grandson. They enjoy coming over for Robert's famous homemade strawberry ice cream. Robert's sister lives in North Carolina and visits with her family for holidays and special occasions. She has two children. We love it when Christian gets to see his cousins and play with them.

Joseph has family who live up north as well as in Florida and even here in South Carolina. His mother lives in Florida, along with his sister. They visit often, and we visit them as well for holidays and special occasions. He has another brother who lives here in South Carolina. Joseph also has two grown children who live up north with families of their own. We love our family and are thankful to have families that love us and are so welcoming and supportive.

Thank you for taking the time to read our story. We want you to know you are an amazing, strong, unselfish, and blessed person, and we are so proud of you and your decision to search for the perfect adoptive parents for your child. We want to sincerely thank you from the bottom of our hearts for taking the time to learn about us and hope our profile shows everything you are looking for in adoptive parents. We cannot possibly imagine what you must be going through at this time, and we want you to know we support and cherish your decision to choose adoption.

You are a blessing to us and the angel we have both prayed for in hopes of growing our family further and giving our son a little brother or sister he can love on and grow up with. We would both be honored and beyond happy for you to choose us to be the adoptive parents to your beautiful child. It would be an honor to raise your beloved child in our home with unconditional love, direction, Christian values, laughter, and support. Our dream to expand our family further would be coming true because of you and your precious gift.

Again, you are an amazing person, and we are so very grateful to be considered. We are praying for you and thank you for this opportunity to grow our family.

Warmest regards,

Robert + Joseph
