about us

Our first date was in October at a steakhouse and then to a haunted house/corn maze. Going to haunted houses has been our tradition each year since. We married after seven months; it was apparent God had made us for one another and still is today. Tyler works remotely as a staff associate and is our church's treasurer. He is seven feet tall and loves to play basketball and fish. Cadee works semi-remotely as a senior accountant at our local university. She loves to cook and is our church's Sunday School teacher/project coordinator. We love to spoil our daughter, travel, go to amusement parks, watch and attend sporting events, try new things, spend time with family and church family, and praise God for everything He has blessed us with. We have an adopted daughter, Ava. She is extremely active and kind-hearted and loves to make others laugh. She is so excited to be a big sister.

OUR HOME

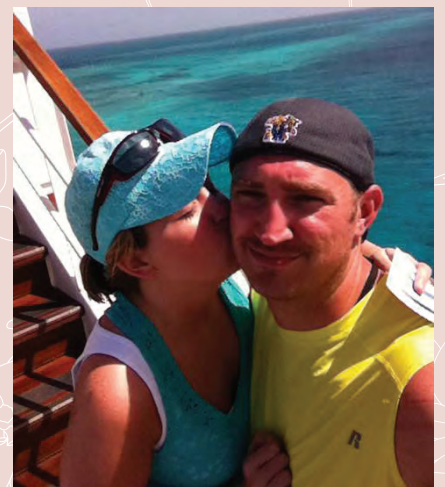

We have a four-bedroom, 3.5-bath home with a large yard and pool. It is nestled at the end of a cul-de-sac in a quiet community. We're off the main road, and children are safely able to play. We are only a few minutes from several family members and friends. Our home is the meeting spot for Thanksgiving, Christmas, and other get-togethers.

OUR ADOPTION STORY

Adoption is such a special part of our story and is the exact path we were meant for. Our experience with our daughter's adoption was amazing; God's hand was on it every step of the way. Over the course of two months, we got to know Ava's birthmother and even some of her family. It was evident we all wanted the very best for her child. Ava's birthmom was so incredibly strong and selfless; she is the one who placed our sweet angel into Cadee's arms. She gave us a gift we will never be able to repay, and we thank God for bringing such an amazing soul into our lives.

our family and traditions

We have, hands down, the best and most supportive village possible. Cadee's parents are the pastor and first lady of our church, small business owners, and the proudest grandparents we know. Cadee's grandmother is an important part of our family and the perfect example of someone with a servant's heart. Together, we have two sisters and a brother and others that are just as close to us as siblings. We have one niece who is the same age as our daughter. They are best friends! We also have a very large extended family with a combined total of 20 aunts and uncles and 30 cousins.

We have frequent family gatherings and love making memories together. Additionally, our church and work families are such a blessing to us—most of them we call Ava's aunts and uncles! We believe wholeheartedly that blood and DNA do not make you family but rather the connection and love that people build together.

Dear
**expectant
mother**

To a loving mother,

Thank you for taking the time to get to know us. We are so grateful for the opportunity to love and raise another child. If we are chosen, you will always hold a special place in our family, and your child will grow up knowing how incredibly loved he or she is by us and you. If you choose us as the best fit for your baby, we can promise he or she will be loved and every need will be provided for. We will give him or her a Christian home with unconditional love and support and, most importantly, show how wonderful God's grace, love, and mercy are.

We believe things do not happen by chance but that there is a reason for everything. Having been blessed to go through this process once before, we know God has allowed us to cross paths for a purpose. Maybe it is because we are the right family for your baby or because you are in need of encouraging words or support. We want you to know you are a courageous, selfless, and inspirational woman. We hope you know how special you are. We thank God for you and what you represent. We pray you let God lead you during this process, and we will be sending prayers up for you every step of the way. You have our prayers and respect, no matter what your decision may be. Thank you for showing such kindness and love for others, and we pray God is with you always.

With love and admiration,

Tyler and Cadee
