ABOUT US

We are a fun-loving, energetic, and joyful couple that has a huge heart for children! Matt is caring, outgoing, and loves to bring joy to others with his music. Aianna is empathetic, patient, and loves helping others. We got married two years ago, and we love serving together! We both volunteer with children and youth and even took two mission trips, to Maui and Thailand, with them. Matt works as a Music Publisher and as a Worship Leader for our church and at an elementary school's chapel service. Aianna loves empowering children and works with a non-profit that helps children facing adversity find lifelong mentors. We both have extremely flexible schedules that provide us with the option to work remotely. Most of our free time is spent enjoying the little joys in life, such as going to the park with our dogs, playing music, or volunteering together.

OUR HOME & PETS

We have the privilege of living in paradise, also known as Hawaii. We are blessed with lovely beaches, vast mountains, and, most importantly, the “aloha” spirit, a local concept where everyone has a deep sense of love, respect, and unity toward others. Hawaii is extremely family and community oriented, where everyone is called “Auntie” or “Uncle” regardless of biology. We live in a secure high-rise in the heart of downtown, only minutes away from schools, restaurants, markets, and beaches. Our condo provides amazing amenities, such as a pool, hot tub, tennis/basketball/racquetball court, gym, and BBQ area. We have two small dogs, named Mele and Bear, who are extremely friendly and lovable. Our home is filled with laughter, music, and love.

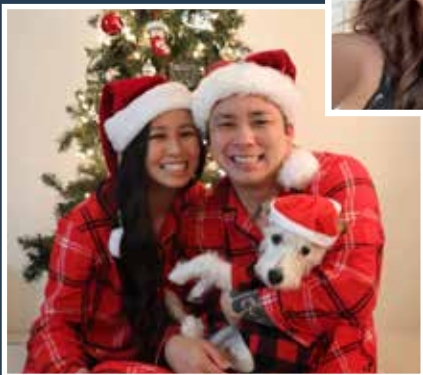

WHAT LED US TO ADOPTION

We have both always known we were meant to be parents and that our home would be filled with children. Before we even started dating, we knew we would grow our family through adoption. We know many people who have adopted and who are adopted, which has always touched our hearts. Our whole lifestyle revolves around children; however, Aianna's health makes it difficult and risky for her to have biological children. It has been our biggest dream and prayer to be called “mom” and “dad,” and we have worked hard and patiently waited to ensure that we are financially, physically, and emotionally ready. We believe adoption is an amazing and selfless gift, and we feel incredibly blessed to start our family through adoption.

OUR LIFE
TOGETHER

DREAM VACATION: Anything Disney

TV SHOW: *The Mandalorian*, *The Office*

SUBJECT IN SCHOOL: U.S. History

OUR FAMILY AND TRADITIONS

We are blessed to have a large, loving, and supportive family that all live within twenty minutes of us. Three of our four parents are retired and already making plans for their future grandbaby. Your baby will be the first grandchild on both sides, so we can only imagine how much your baby will be loved. Matt has one older brother, Aianna is the middle of two sisters, and we both have many aunts, uncles, and cousins.

We and Aianna's younger sister (whom we call Fishy) are extremely close and spend as much time as we can with each other. Although Fishy attends college in Denver, we talk every day and look forward to when she is home with us. We have taken many trips together, including a month-long road trip from Oregon to Canada with Fishy and her boyfriend.

Family is a huge priority for both of us, so we have weekly dinners on both sides of the family. We all love traveling together, having family game nights, and BBQing. However, our family "ohana" extends far beyond our blood relatives. Our ohana will help to raise your baby with unconditional love.

DEAR EXPECTANT MOTHER,

Thank you for considering us to love and care for your precious baby. We wish we had the perfect words to say to you during this incredibly difficult journey. While we cannot begin to imagine the feelings of uncertainty, anxiety, and fear you may be experiencing, please know that we are here to support you in any way we can. We deeply admire your strength, courage, vulnerability, and incredible selflessness. If you choose us, your baby will never forget or doubt your love and selfless decision. We will honor your baby's story, their culture, and, most importantly, the priceless gift you are giving us.

We are committed to providing a home where your baby will grow up knowing how loved he or she is and will be supported in every aspect of their life. Our home will be filled with music, laughter, bedtime stories, dance parties, arts and crafts, making forts, game nights, safety, love, and stability. We will raise your baby to know their worth, be compassionate towards others, and develop the life skills needed to be independent and thrive in this world. Your baby will have parents who will love them unconditionally.

If you choose us, we promise your baby will be safe, protected, loved, and will live a life full of joy and adventure.

With heartfelt consideration,

Aianna & Matt
