## *ABOUT US*

We met in high school and quickly realized we were meant to be together. From the beginning, we shared many things, but most importantly, we are deeply connected, like soulmates. Our values and beliefs align, and we bring out the best in each other. We love spending time together, whether it's playing video games, camping, biking, relaxing on the beach, or exploring new vacation spots.

Arnel is cheerful, optimistic, and fun to be with, and he enjoys entertaining others. He is very spiritual, and his favorite hobbies include horseback riding, fishing, reading, auto mechanics, spending time with his family, and attending church.

Like my husband, I am a spiritual person, though a little shy. I love animals and enjoy being affectionate with my family. My hobbies include cooking, technology, and reading. I've loved dancing and music since childhood, and I cherish the time I spend with my loved ones.

## *OUR HOME*

This is our home, located in a small town in New Jersey. Our neighborhood is quiet and welcoming, with wonderful neighbors and excellent schools nearby. We've built a life here, and it's where we hope to make new memories as a family—a place filled with love, laughter, and countless happy moments. We enjoy playing with Isabella, our niece's beloved dog.

Every day, we dream of taking our little one to explore the beautiful local parks and lakes, sharing the simple joys of nature, play, and adventure.

## *WHAT LED US TO ADOPTION*

From the very beginning of our marriage, we have been open about our dreams for our family. Adoption has always been a part of that vision, something we both felt in our hearts from the start.

We are so excited to become parents! We truly believe that adoption is part of God's plan for us, and while our journey has included challenges with infertility, we embrace this path with love, faith, and gratitude.

our families &  
*TRADITIONS*

We come from a loving and joyful family, where every gathering is filled with laughter, dancing, and heartfelt memories. Holidays and birthdays are especially lively, with our parents sharing stories from their childhoods, bringing everyone closer together.

Arlene's father has a creative spirit and loves teaching us different crafts, while Arnel's mother shares her passion for cooking, always introducing us to new recipes that we enjoy making together.

Our niece, Emily, holds a special place in our hearts—she is like a daughter to us. Spending time with family is something we cherish, and we are grateful for the love and traditions that keep us connected.

Most of all, we are surrounded by unwavering support. Our family is incredibly excited about this adoption journey, and we can't wait to welcome a little one into this circle of love.
