our lifestyle

Hi, we are Sarah and Danny! We met in 2016 and have been inseparable since our first date. Despite the challenges of COVID-19, we got married in April 2020, even having our officiant attend virtually. We are a strong, supportive team who enjoys traveling, trying new food, spending time with family, and caring for our three dogs and two cats. Danny works in the court system, and Sarah is in law enforcement while finishing a degree in early childhood education. After facing difficulties having children biologically, we feel it's not God's plan for us. We believe that we were meant to adopt to grow our family. The thing we are most excited about is nurturing and sharing all the fun and challenging life experiences with a child.

OUR HOME & NEIGHBORHOOD

Our four-bedroom, three-bathroom home is located in a growing town in Georgia with lots of museums, theaters, sporting venues, parks, and mountains all within an hour's drive. In our town, we have several schools which have lots of educational achievements. There are several large, notable universities within driving distance. It's the perfect place to raise a family. Our three dogs—Link, Champ, and Bella—love to play and enjoy the breeze in the backyard, while our two cats—Nemo and Fin—love to lie in the window hammocks and snooze all day.

WHAT WE LOVE ABOUT EACH OTHER

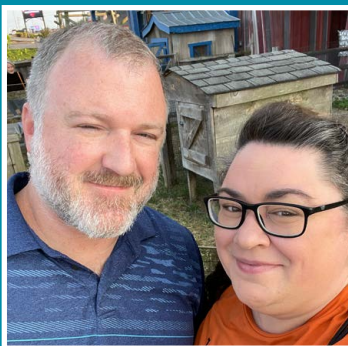

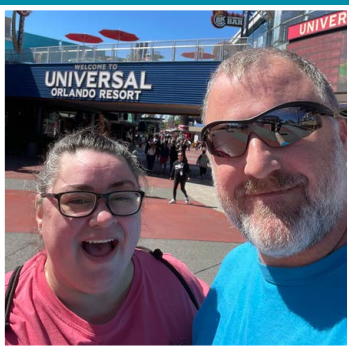

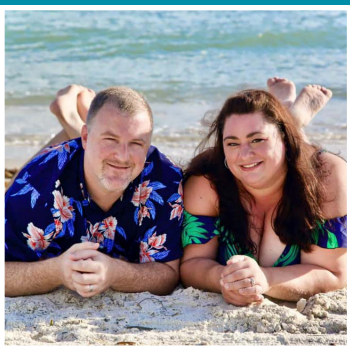

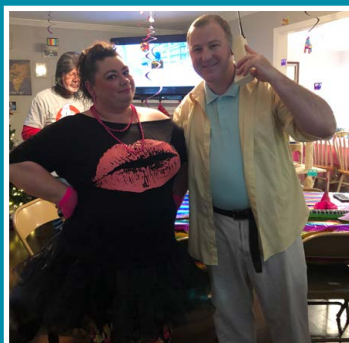

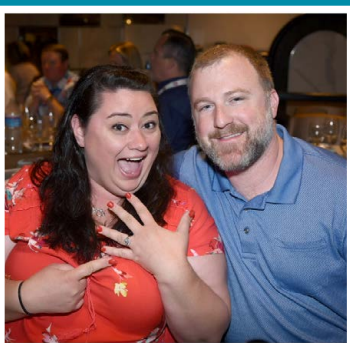

Sarah loves the way Danny can make any tense situation comfortable by adding a joke or a goofy action. He is usually looking for ways to make everyone laugh and embarrass Sarah. She secretly loves it. Danny is an excellent cook and a great provider for the family.

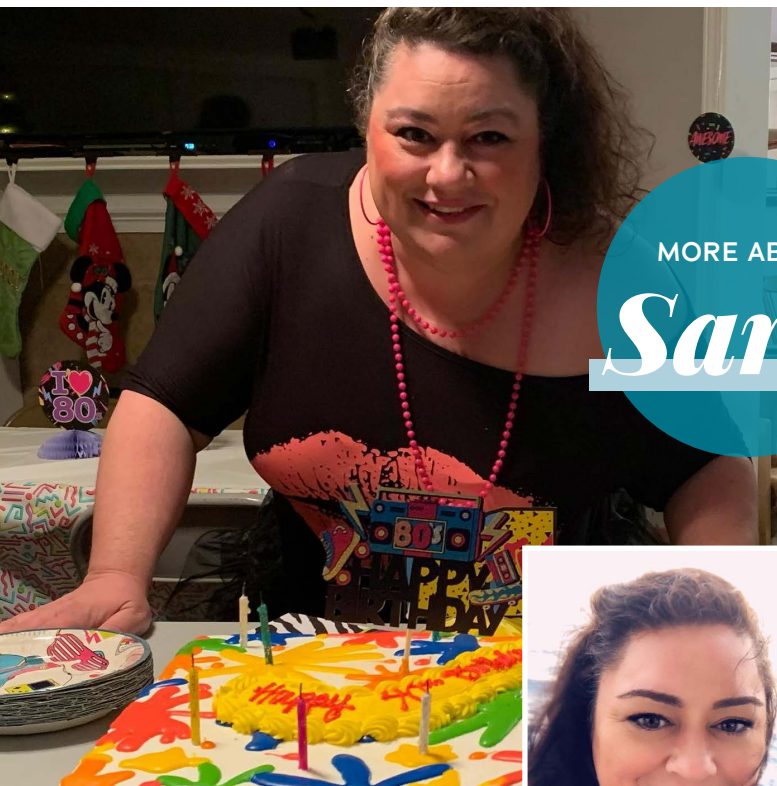

Danny loves Sarah's sense of humor because she needs it to appreciate his. She is motherly in caring for and loving our fur babies. He also loves Sarah's cooking skills and enjoys when she adds love to her famous chicken soup when he is sick.

Our family and friends love that we work well together and complement each other's strengths. Many friends say that we act like we have known each other our whole lives.

OUR FAMILY + *friends*

Sarah's brother's family, mother, and bonus dad live about a half hour away. Most family events are spent at her mother's home, where everyone is comfortable to relax and cut up. At most gatherings, you will see us sharing good food, games, and belly laughs. We love taking Sarah's little nephew to children's museums and children's concerts.

Danny's mother lives about a half hour away, and his brother's family lives about an hour away. We enjoy going to his mother's home and spending the day relaxing and working on large, challenging jigsaw puzzles. We love to go to Danny's niece's dance recitals and nephew's baseball games.

In both families, Christmas is a big deal. We have fun family events throughout the month leading up to the big day, but Christmas is not the only holiday we celebrate each year. During the pandemic, Danny and I started celebrating every holiday with mini parties, where we would find movies around the theme of the holiday and make themed snacks or meals. We love a good time together in our family and know how to have fun.

our letter TO YOU

Thank you for taking the time to read our profile and learn about us. While we can't imagine the weight of the decisions you're facing, please know that we admire your strength, courage, and the deep love you are showing your child through this journey.

Since getting married, we've hoped to grow our family, but we've come to understand that our path to parenthood will look different than we expected. Through prayer and reflection, we feel in our hearts that adoption is the journey we were meant to take. We are filled with hope and excitement to welcome a child into our home and to share with them the unconditional love, laughter, and support that we've built together.

We can't pretend to know what you're going through, but we want you to know that if you choose us, your child will be surrounded by love every single day. We are committed to nurturing, guiding, and encouraging them to grow into whoever they are meant to be—while always honoring the love and courage it took to bring them into our lives.

With love and gratitude,

Sarah + Danny
