

Julianna + Cody

about us

Hello from Georgia! We are Cody and Julianna. Our relationship began 11 years ago, and we have been married for seven years. Cody is from East Tennessee, while Julianna was raised in Georgia and Florida. Cody is kind, practical, and encouraging. Julianna is loving, thoughtful, and resilient. We both have advanced degrees and work in the public school system. We love children and care deeply about their care and development. Right now, we share our love with many children in our classrooms, and we cannot wait to focus our love on our future baby! We live in a beautiful two-story house we want to fill with love and laughter. Our Christian faith is central to our lives, and your baby will have a loving and supportive family and faith community. We are huge Disney fans who love to travel, watch movies, and spend time together in our community.

OUR HOME + PETS

We live in a suburban area in Georgia. There is lots to do in the nearby cities, but we are also very close to outdoor activities. Our church is nearby, and if you bless us with this gift, your child will grow up in a close-knit faith community. We strive to make our home a comfortable and loving place. We have a big, safe backyard and community pool for your child to play in. As we are both teachers, education is very important to us, and we will make sure your child has an outstanding education in our great school district. We have a seven-year-old dog named Charlie, a rescue terrier mix, who is very sweet and playful. He cannot wait to be a big brother!

WHAT LED US TO ADOPTION

We always imagined filling our home with children. We used to drive around neighborhoods and picture what it would be like to have our children playing in the front yard. We have both wanted to be parents since we were young. We do not currently have any children, but we feel called by God to adopt as a means of growing our family. Julianna's mom was a birthmom before Julianna was born, and adoption has always been part of our plan. Also, we have friends who have adopted and have been inspired by their stories. If you choose us, your baby will be loved by so many in our family and community. There are many people praying for you both!

our family and traditions

Cody's family includes his parents and two sisters as well as aunts, uncles, and cousins. Cody's dad is a minister, so our Christian faith is important in the family. Cody's cousin lives near us, and they have two young children who will grow up with your baby almost like siblings! Although Julianna's mother and grandparents have passed away, she remains close to her father and extended family members. Julianna was very close to her maternal grandparents, whom she considers her heroes. She has a wonderful and supportive relationship with Cody's family.

We look forward to establishing new family traditions. Some current family traditions include an annual beach vacation in Florida and special Christmas customs as well as other holidays. Your child could be the first grandchild in the family, and they can't wait to shower the baby with love and affection!

Dear
**expectant
mother**

Thank you for taking time to consider us as parents for your baby. You are making a selfless choice through immense and everlasting love for your baby, and we are eternally grateful. We imagine you have many emotions. Please know we support you, and we are praying for you and your baby. Wherever you may be, you have been on our hearts and in our prayers.

Julianna's mother was a birthmother before Julianna was born. Because of this, we can empathize with the emotions you may be feeling. It is important to us that you are supported throughout this journey, both before and after the birth. If we are blessed to be chosen by you, know that your baby will never doubt they are loved unconditionally, both by us and by you.

We will cherish every moment. We look forward to their first steps, their graduation day, cheering them on through their successes, and guiding them through their challenges. We will speak love and joy into their lives every day.

We know you want the best for your baby, and we are honored to be considered. We promise with our whole hearts that we will strive every day to provide the best life we can for your child. We are praying for you, and we admire your strength as you navigate your adoption journey.
