about us

We are Alex and Jessica. We have been together for over 11 years and married for four years. Jessica works for a local bank as a deposit operations specialist. Alex works for a local school district as a part of their maintenance and custodial team. Jessica is hardworking, gentle, caring, and kind. She loves spending time reading, doing crafts, cooking, baking, and snuggling with our cats. Alex is calm, laidback, hardworking, and always willing to help others. He enjoys spending time with our cats, doing things outside, fixing things around the house and reading up on lighthouses and shipwrecks. We enjoy going on adventures to seek out lighthouses and waterfalls. We also enjoy spending time with family and friends and being able to worship together on Sundays.

OUR HOME & PETS

We live in Wisconsin, not too far from Lake Michigan. We live in a quiet neighborhood with a park nearby. We are close to a downtown area, where we can walk to the local beach and different small town events they have throughout the year. There is also a small zoo not too far from us and a few different schools nearby as well. Our house is a two-story house that is not overly large but fits us well. We have a medium-sized yard featuring a swing that once belonged to Jessica's grandparents. We have three black cats named Stella, Simon, and Penny. They are all loved and spoiled equally.

WHAT LED US TO ADOPTION

We are excited to have the opportunity to share our love with a child through adoption. We have been trying to grow our family for a while but struggled being able to do so on our own. After taking a break from fertility treatments, God led us to adoption. It became clear to us at that moment that we wanted to be parents, and how that child came to us was not as important as the love we have to share with them. We are so in love with a child we have not met yet and cannot wait to open our hearts and home to a little one someday soon.

OUR FAMILY

and traditions

Jessica's family includes her dad, two sisters, and one brother. Her older sister has three children, giving her one niece and two nephews. Her brother is married and has one son, bringing the nephew total to three. Jessica lost her mom in September of 2022, and while she is no longer with us, we believe she is watching over us and is always with us in spirit. Most of Jessica's family lives about 45 minutes to one hour away from us, and we love to get together with them when we are able to and spend the holidays together.

Alex's family includes his mom, dad, stepmom, stepdad, brother, and sister. His parents divorced when he was young. His brother is married and has no children. His sister has two daughters. His stepdad owns and runs a family farm and sells Christmas trees and wreaths during the holiday season. Most of his family lives in the same town as us. We enjoy getting together with each of them, whether it's going out to eat, working on a small project, or just getting together and talking.

Dear

**EXPECTANT
MOTHER,**

Thank you for taking time to get to know us and considering us to be the family for your baby. We know this is not an easy choice but believe you are so strong and brave for choosing life and doing what you feel is best for your baby. We would love to have a relationship with you, in whatever way you are comfortable. Our desire is for your baby to know where they come from and what a big part you were in giving us the blessing of becoming a family.

Our hope for your baby is that they know how much they are loved and prayed for. We have so much love in our hearts for this baby we have not met yet and cannot wait to share it with them. If you choose us to be your baby's parents, they will be raised in a home built on faith, love, and hope. They will be taught about God and his faithfulness, how to be kind and humble, and that they are loved and supported no matter what. We would also love to teach them to be kind and loving toward animals. Our hope is that they would be adventure seekers and enjoy exploring nature. They would also be loved and prayed over by our family and friends.

We are praying over you and your baby and are so thankful for all of the love you have in giving us the chance to be a family.

WITH LOVE,

Jessica and Alex
