

Alberto & Kaycee

our adoption journey

ABOUT US

How lucky we are to have stumbled into an incredible friendship—eight wonderful years, with five happily married. Our journey began on a dating app, and we playfully tease that opposites not only attract but add a delightful twist. Meet our furry family: Whiskey, the adventure-loving pup, and Kit-Kat, the occasionally grouchy cat, both stealing the spotlight in our hearts. Alberto, a Major in the U.S. Air Force, enjoys hitting the gym and kicking around a soccer ball. Kaycee, an Emergency Medicine RN, balances her love for reading with baking sweet treats. Weekends mean Whiskey's antics, exploring nearby parks, and discovering new eateries. Thanks to Alberto's military travels, we've called three different states home. Our life is a delightful blend of love, laughter, and everyday adventures. We're excitedly looking forward to expanding our family through adoption!

OUR HOME & PETS

Nestled in Maryland, our townhome in a friendly community is surrounded by local parks, museums, and excellent schools. We delight in leisurely walks and activities at the nearby parks and hiking trails. The diverse food scene around us thrills our adventurous palates, offering myriad culinary options. Our home is shared with two beloved pets: Whiskey, an energetic dog always up for play, and Kit-Kat, a cozy cat always finding sunny spots for naps. We're excited to expand our family through adoption and to share the warmth and love that define our home with a new member.

what led us to adoption

Our decision to adopt is a heartfelt recognition that family is defined by love, not just blood. While we haven't embarked on this journey before, the prospect of adoption has always been in our hearts. We eagerly anticipate offering a loving, welcoming space for a child. Our commitment reflects a deep belief in the inclusive nature of family. As we approach this life-changing experience, our genuine hope is to create a home defined by shared values and enduring affection—a unique family story built on the foundation of love.

our family & traditions

Alberto comes from a large family and is the oldest of four brothers. Alberto's parents, high school sweethearts of 35 years, remain happily married, laying the foundation for a warm and supportive family environment. The family's shared Spanish-speaking heritage creates a unique cultural connection that adds richness and closeness to their relationships.

Kaycee is the youngest of two daughters. Her sister's marriage to her high school sweetheart has extended the family circle. We, along with Kaycee's parents—who are wonderful and involved grandparents—maintain a strong connection with our niece, who is just starting elementary school.

Despite being physically separated due to Alberto's active duty in the Air Force, our family prioritizes being together for significant life events and holidays. Our family cherishes traditions like Christmas Eve celebrations with Alberto's extended family.

Kaycee ensures she never misses her niece's birthday, supporting the family's commitment to staying connected and making meaningful memories together. Despite the miles, our families are always within reach, just a plane ride away, ready to extend their support and embrace a new family member through the journey of adoption.
