ABOUT US

We are Jacob and Ruth. We are a dynamic couple, each with our own unique passions and talents. Jacob is laid-back and humorous and finds joy in fantasy role-playing games and reading medieval fantasy novels. His creativity extends to music; he plays both guitar and drums, often filling our home with melodies. Jacob works from home as a web developer and graphic designer. Ruth is a down-to-earth, fun-loving intellectual with a deep love for reading, puzzles, and board games. Highly organized and a great multitasker, she excels in her role as a fellowship program manager for doctors in training, where she balances structure with strong problem-solving skills. We share our lives with Lucy, our adorable beagle, whose favorite pastime is snuggling up for a nap, bringing a sense of warmth and comfort to our cozy home. We have been together for 11 years and married for seven years.

OUR HOME + PET

Our home is nestled in a prime location in Pennsylvania, just a short drive from multiple major cities. We get to experience all four seasons where we live and really enjoy spending time in our fenced-in yard. The yard is ideal for our beloved beagle, Lucy, who enjoys playing with her toys and indulging in treats. Our home offers plenty of space, complete with a finished basement perfect for relaxation and hobbies. Our home is warm and inviting, especially when cozied up in front of the fireplace or unwinding in the hot tub. The neighborhood is family friendly, and the local school district is known for its excellent education and caring teachers, making it an ideal place to raise a family.

WHAT LED US TO ADOPTION

We have long dreamed of becoming parents. Our hearts are filled with the hope of raising a child and sharing the love and laughter that fills our lives. Despite trying multiple times to have a child on our own over the last several years, it never worked out, leaving us with an aching void. Our desire to become parents is only deepened by the joy we experience with our many nieces and nephews, whom we adore and love watching over. Every moment spent with them reinforces our longing to nurture and guide a child, to grow our family, and to bring happiness to a child who would be cherished beyond measure.

OUR FAMILY AND *traditions*

We are deeply connected to our extended family, finding joy and support in our close-knit relationships. Ruth is the youngest of 15 grandchildren and has a very large family. She has two sisters, both married, with children ranging from four to 11 years old (five children in total). Her sisters and parents live nearby, allowing for frequent family gatherings. We love spending time with our nieces and nephews, always planning something fun like bowling, swimming, or trips to the drive-in. Holiday cookouts are a favorite family tradition, where we all gather to enjoy good food and play board games.

Although Jacob's brother and parents live a bit farther away, we stay in touch regularly and make sure to visit during holidays and for special occasions, like birthdays. Jacob shares a passion for online gaming with his brother. We enjoy spending time with Jacob's parents outdoors, whether it's fishing or hiking on their family farm.
