ABOUT US

We are a devoted couple who have shared 19 wonderful years of marriage. Our journey together began long ago, as we've known each other for most of our lives. With loving families as our foundation, Christian is the eldest in his family, while Rochelle holds the position of the middle child. We both grew up in sunny Southern California before making the move to the East Coast in our early twenties. Christian has dedicated 17 years to his job at a cable company, while Rochelle has spent over 18 years in the banking sector. In his free time, Christian loves to play guitar, hit the gym, catch Sunday Night Football, and dive into video games. Rochelle finds joy in shopping, attending craft festivals, celebrating Christmas, creating wreaths, scrapbooking, and cherishing moments with her nephews and nieces. We truly value the time spent with family, and playing games together is one of our favorite pastimes. Our shared love for fun and laughter keeps our bond strong, making every moment together special.

OUR HOME & PETS

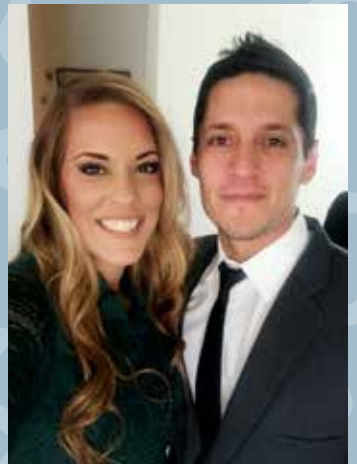

Our home is situated on the East Coast in a lovely and secure community, surrounded by a reliable neighborhood. Nearby, there's a charming, old-fashioned ice cream shop and an excellent library we often visit. The area is family friendly, with plenty of children around and some of the best schools available. It's a great place for families to thrive and grow together. We share our lives with two affectionate dogs, Duchess-Beatrice and Winston-Bernard, who are wonderful companions for kids. Additionally, our two cats, Henry and London, are incredibly sociable and adore receiving cuddles and treats.

WHAT LED US TO ADOPTION

Our passion for children shines through, especially when we spend time with our beloved nephews and nieces. Becoming certified foster parents was a rewarding journey, allowing us to welcome siblings into our home for a brief period. We cherished every moment with them, meeting their needs and creating lasting memories together. Although our time with the siblings was temporary, it became one of the most meaningful experiences we've had as a family. The joy and connection we felt during that time inspired us to consider our next steps. We realized adoption would be the perfect path for us to take. With so much love to give, we are excited about the possibility of providing a child with a forever home. Our hearts are open, and we look forward to the journey ahead. We are ready to embrace the joys and challenges of parenthood.

Family holds a special place in our hearts, and we each have four siblings. Christian, the eldest, shares a unique bond with his brothers. Coming from a large family, Christian has over twenty cousins along with numerous aunts, uncles, and grandparents. Some of his fondest memories are from Christmas Eve, with laughter, delicious food, and the excitement of opening one present at midnight.

In contrast, Rochelle's family is smaller, with seven cousins and a close-knit group of aunts and uncles. We cherish our time together during holidays, especially the Fourth of July, which is filled with cookouts and spectacular fireworks. Thanksgiving is another highlight as everyone gathers at our home, each contributing a beloved dish that adds to the warmth of the celebration.

Christmas is particularly magical for us. We come together for a yearly gift exchange, play Christmas Bingo, and embark on scavenger hunts. Christian often strums his guitar, filling the air with festive tunes. Additionally, we host an annual cookie party where all the aunts and cousins join in, each baking at least two new cookie recipes for everyone to enjoy.
