ABOUT US

Hello! We are Matt and Lindsay from Washington State. We met online and knew after the first date we had found our special someone. We both love to travel and have been blessed to visit many wonderful places, the highlight being our honeymoon cruise through China and Southeast Asia. Matt has been a truck driver for the last 12 years and enjoys the freedom of the open road as well as the ability to be home daily. He appreciates that not every day is the same and especially likes training new truck drivers coming into the industry. Lindsay has been a registered nurse for the last ten years and currently works in labor and delivery. She loves her job and gets great satisfaction in helping to bring new life into the world. Working with expectant mothers and their newborns has been a lifelong dream for Lindsay, and she feels truly blessed.

OUR HOME + PETS

Our home is a three-bedroom house on a quiet cul-de-sac. We have a fenced backyard with lots of flowers and grass to play on. Our town has a very low crime rate. There are many local attractions and family events, especially in the summer. We live minutes from a big lake that hosts many activities year round. It is great for summer picnics or listening to nightly live music. We are just a short drive from the beach and like to take trips to the coast many times throughout the year. We share our home with our cat, Sully. He is a very sweet cat that loves chasing squirrels and taking long naps. He is very spoiled, and he knows it!

WHAT LED US TO ADOPTION

Ever since we met, we have wanted children and have felt adoption was the right path for us. We love children but have not been able to have any of our own. We both come from very tight-knit families and look forward to adding a little one to our lives. Working in labor and delivery, Lindsay has been able to witness many adoption success stories. It is a wonderful thing when hopeful parents are able to complete their family thanks to the selflessness of a birthmother. We feel very fortunate that we have the option to adopt a baby. This baby will be very loved.

OUR FAMILIES & TRADITIONS

Family has always been very important to us. Matt is an only child and is very close to his parents. Lindsay's dad has passed, but she is extremely close to her mother. She has an older sister, who is married and is mother to our "niece," a beautiful yellow Lab puppy named Bailey.

We usually get together a couple times a week with our families. On Sundays we meet for church and breakfast. We usually meet up at least once more during the week to enjoy a big family dinner together. Summers are spent around the fire pit with parents and siblings. We never tire of running away to the coast for a day at the beach. Our big family Fourth of July events are never missed, and a great time is had by all.

DEAR EXPECTANT MOTHER

Thank you so much for viewing our profile. We know the decision to pursue adoption cannot be easy for you, and we admire the bravery and selflessness that led you to explore this avenue. We know the decision is made out of love for your child, and we admire you for that.

Family is very important to us. We have dreamed of being parents and bringing a child into our home to love and care for. If you choose us, we promise to raise your child with all the love and support we have to offer. We have a whole community of family and friends ready and willing to be a part of that support system. We will provide your baby with many opportunities. The baby will grow up spending time with family, playing games, having fun, learning, and exploring the world.

Regardless of your choice we wish you the very best and pray that your journey and pregnancy are smooth and without any complications. We want the best for you and your child. Thank you for being an answer to our prayers.

With Love,

LINDSAY & MATT
